Grow your business
through happy customers

Testimonial Tree helps improve online reputation, social presence, SEO, and client satisfaction to gain **more referrals** and sell more properties. Our automated feedback collection, management, and syndication platform makes you the authority for your reputation and turns your clients into your best marketers.

★★★★★

Google   facebook   yelp   Linked in

Why it matters

The #1 source of business is **referrals** from past clients.

88% of people trust online reviews as much as personal recommendation.

Testimonials have the highest effectiveness rating in **content marketing** at 89%.

How we help

Integrate — Testimonial Tree easily integrates in to most customer relationship management software, bookkeeping software, POS, e-Commerce and any website platform.

Automate - One time setup for your requests, filtering and post settings.

Syndicate - Auto-post to your website, Facebook page, and your client's social media networks. Simplify collection of review site such as Yelp, Google, and others.

What you gain

Boosted SEO – User-generated content ranks high in Google search results.

Free marketing - Happy clients are the best advocates and they'll tell their friends

More referrals - As the star rating keeps growing so will your business.

**Valuable data** - Gain insight to what is important to your buyers and sellers

Improved client satisfaction - Custom-branded surveys provide business insight
